2020 - 2021

**Badabulle is a forward-thinking brand that rewrites all the rules when it comes to baby equipment. For the past 10 years, we have poured all our fun-loving, ingenious nature into developing colourful, high-quality products which are enormously practical and really clever, all designed to meet parents' expectations!**

To achieve this, Badabulle gets right to the heart of families. We work with parents, to create the collections of the future at our 'fuss-free' workshops! All experiencing a combination of worry, tiredness and admiration for their little bundles of joy, they are completely open with each other, no holds barred!

But what lies behind all this? An amazingly motivated Badabulle team that brings a bright splash of colour and a daring twist to its projects, so that parents can treat themselves with complete peace of mind without breaking the bank!

**IN SUMMARY, IT'S A  
PRAGMATIC BRAND THAT  
MAKES PARENTS' EVERYDAY  
LIVES EASIER!**
